PRICE LIST.

The following Prices are subject to the same conditions as those in my previous works on Architects' Joinery.

The Mantels and Over-mantels are in Pine, unpainted, and are made at the prices indicated in any width up to 36 inches opening; beyond this width, prices will be proportionately extra per inch. The prices of Over-mantels include Silvered Bevelled Plates where shown.

The Enrichments are in all cases made from specially prepared tough composition, not liable to crumble or chip like plaster or cement.

Prices in Oak, Walnut, or Mahogany, with Enrichments carved, on application.

Special Estimates given for Joinery to Architects' own Designs.

Carriage, extra. Packing, when required, extra; but two-thirds will be allowed on all packing-cases returned in good condition, carriage paid, within a fortnight.
